## 1 Text Flows

These three books contain small passages of separate text inside paragraphs (see image). Please mark them as separate text flows with the tags `<tf>` and `</tf>`. Type the `<tf>` and `</tf>` tags on separate lines.

Type the `<tf>` and `</tf>` tags on separate lines. On each page, type the first text flow before the second text flow.

*Example1: example of inset text flow. Please replace “<unknown1>” by the code you assign to this unknown character.*
